REMARKS

Applicant respectfully submits that this application was allowed to go abandoned due to U.S. Patent Office error and through no fault of the Applicant, and petitions the Director to withdraw the holding of abandonment. The facts are set forth as follows.

On January 7, 2005, Applicant filed a response to the outstanding Office Action dated July 14, 2004 (copy enclosed). In addition, Applicant concurrently filed a document entitled "Amendment / Response Transmittal" (copy enclosed) that included a request for a 3-month extension of time and the authorization to charge Deposit Account No. 11-1410 for the necessary fee, thereby extending the deadline for response to January 14, 2005. These papers were sent as first class mail via the U.S. Postal Service with a return postcard. A copy of the postcard with the official date stamp from the Office of Initial Patent Examination is enclosed herewith, indicating receipt of the documents on January 10, 2005.

Applicant never received the Notice of Abandonment dated 4/20/2005. Indeed, Applicant only recently became aware of the abandonment of the application through outside counsel, who checked the status of the application in private PAIR.

Since Applicant submitted a response to the outstanding Office Action dated July 14, 2004, together with the necessary extension fees before the January 14, 2005 deadline, this application should not have gone abandoned. Therefore, Applicant requests that the holding of abandonment be withdrawn and the response filed January 7, 2005 be entered and considered.
